Caloundra Highlights

Term 1 - Week 10 – Thursday 28th March 2024

Dear Parents and Families,

Welcome to the end of Week 10!

I was very privileged to be able to attend the year 7 Camp on Wednesday evening. Despite the rain it was so great to see this cohort of students having heaps of fun while developing their courage as well as their collaboration and consideration skills through the range of activities they have participated in. If the smiles I have seen and stories I've heard were anything to go by, I am sure that the year 7 camp experience will be long remembered for many years to come.

Term 1 Interim Report Cards will be issued on **Friday, 19th April**. Please be aware that most students have only had one piece of assessment to date in each subject and it is likely that students may have experienced a bit of a step up from the previous year in both the rigor and requirements for academic success. As students' progress through high school there can come a time when a students' natural talent reaches its limit and for them to continue to achieve grades similar to previous years, an increase in effort, study and commitment external to the school is now required. The good news is that this is a perfect time for reflection about what has worked and what has not worked in relation to your child's study regime. It is strongly recommended that you make an appointment with your child's teacher (and have your child with you) so that you can discuss their areas of strengths and areas for improvement as we move into Term 2 teaching and learning.

Finally, on behalf of the school, I wish you all a happy and safe Easter break. Whether you are planning a staycation or a vacation, may it be filled with joy, laughter, and precious moments with your loved ones. We look forward to welcoming our students back next term, refreshed and ready to learn.
