Can I encourage parents to ensure that your child is well rested, has had breakfast and comes equipped with all the materials required in order to do their best!

ARTS FACULTY

- The Arts Faculty has Introduced new extension classes in year 7 this year for dance and music. These classes have been extremely popular with the year 7 dance extension class choreographing and performing dances in a variety of dance styles as well as preparing for eisteddfods. These students performed exceptionally well at the Sunshine Coast Dance Eisteddfod last Friday receiving highly commended for their hip hop performance 'Buzz' and 5th place for their contemporary performance 'Miss you'. The year 7 music extension class starts in semester 2 but students have been busy rehearsing for the MADD Music Evening in Term 4 (19th of October). Our 7 dance and music extension students also travelled to Brisbane on Wednesday to view the Aladdin musical. Year 10 and 12 drama students viewed a entertaining 'Youth Productions' theatre performance 'Ruby Moon' which was followed up with an assessment piece for year 12.

WHITE RIBBON

- Domestic Violence prevention month is an annual event held each May to raise community awareness of the social and personal impacts of domestic and family violence. Through the White Ribbon GET ACTIVE campaign, the school has organised a range of sporting, musical, health and literacy activities for students. Through student participation in these activities we aim to raise awareness about domestic and family violence and to support White Ribbon.
