Screen Size:	15" screen
Processor:	i5 or i7 or equivalent processor
Cache:	8 Mb Cache recommended for Film and TV
Storage:	512GB Storage (HDD or SSD)

Computers sold with "Win11 Home" in "S" mode need to be converted to full Windows 11 operating system, before being able to on-board to the BYOx system. Instructions for updating are located on the school website.

Unsuitable devices include:

Chromebooks, Windows on ARM, SnapDragon processors, Microsoft Copilot+ PCs, Windows RT, iPad Mini, Android Devices**,** Windows machine with 64GB storage or less, Windows 7/8/10 OS and Linux OS devices.

- BYOx uses Windows InTune to support connection to wireless technologies. Students will have a better experience connecting to the system using a Windows device.

Students can prepare their device to Enrol on the school network by following the relevant instructions found on our school website – Bring You Own Device
