Please turn over ….

Part C: Device Specifications

Minimum recommended device specification:

Year 7 and 8 only	**Web and wireless enabled device**
Device Type:	Microsoft Windows+ or Apple Mac laptop or Apple iPad
Operating System: (minimum requirement)	Windows 11, MacOS 13 (Ventura) or later, iOS/iPadOS 16.0 or later
Screen Size:	11"-13"

Years 9-12 (Middle and Senior Secondary)	**Wireless laptop computer** Minimum specifications for the device are listed below:
Device Type:	Microsoft Windows+ or Apple Mac laptop
Operating System:	Windows 11, MacOS 13 (Ventura) or later
Screen Size:	13" *
RAM:	8GB *
Processor:	Intel i3 or an AMD Ryzen 3
Storage:	128GB (minimum)* *(HDD, SSD or eMMc)* (External Hard-drive may be beneficial for back up purposes)
Battery Life:	6+ hours

* Students studying the following subjects in year 10-12	It is recommended that a higher specification laptop is used.
Film and TV, Cert II in Creative Industries or Cert II in Manufacturing	
Screen Size:	15" screen
Processor:	i5 or i7 or equivalent processor
Cache:	8 Mb Cache recommended for Film and TV
Storage:	512GB Storage (HDD or SSD)

Computers sold with "Win11 Home" in "S" mode need to be converted to full Windows 11 operating system, before being able to on-board to the BYOx system. Instructions for updating are located on the school website.

Unsuitable devices include:

Chromebooks, Windows on ARM, SnapDragon processors, Microsoft Copilot+ PCs, Windows RT, iPad Mini, Android Devices**,** Windows machine with 64GB storage or less, Windows 7/8/10 OS and Linux OS devices.

- BYOx uses Windows InTune to support connection to wireless technologies. Students will have a better experience connecting to the system using a Windows device.

Students can prepare their device to Enrol on the school network by following the relevant instructions found on our school website – Bring You Own Device
