

Caloundra Highlights

Term 2 - Week 10 - Friday 24th June, 2022

STAFF LEAVING

Today is the last day of term and we would like to farewell a number of staff:

- Mr Jones who leaves us to take up a teaching position at another school.
- Ms Hill who is off to have a baby - congratulations.
- Mr Gordon who will take up the position of Guidance Officer at Kawana Waters State College for Semester 2. Mr Graham will continue in the role of Guidance Officer for the rest of the year.
- Ms Griffiths who will go on leave for Semester Two - we welcome back Mrs Williams.
- Mrs Alexander our School Nurse is taking leave at the end of week 1 next term and we welcome Mrs Yule as our new School Nurse.

We will certainly miss all of these wonderful staff and the contribution that they have made in the support of students and staff. We wish them all the best.

ANAPHYLAXIS AND ASTHMA ACTION PLANS

- All students diagnosed with being at risk of Anaphylaxis or as having Asthma who require support at school must have an ASCIA action plan. The plans detail signs and symptoms of an attack and triggers for each individual child. ASCIA Action plans are completed by a doctor or nurse practitioner. If you have registered your child at the school as having Anaphylaxis or Asthma please provide an up to date Action Plan to enable us to best care for your child. If your child has either Anaphylaxis and/or Asthma please ensure they carry an Auto-Injector and/or puffer with them at all times. The office does have both in case of emergency.

YEAR 10 WORK EXPERIENCE

- Work experience will be held in Week 10, Term 3 (12th - 16th September). Please ensure forms are handed in by Friday 12th August.
- The [Work Experience Agreement Form](#) and other information can be found [here](#).
- Please use the upcoming school holidays to arrange a work experience placement, if you haven't done so already. Should you have any queries, please contact Ms Shaw, Industry Liaison Officer on ILO@caloundrashs.eq.edu.au

EAR POD BAN

- From the start of Term 3, students will no longer be permitted to bring wireless ear pods to school. Students are using them in class which is impacting on their capacity to listen to the teacher. This ban applies for the whole school day.
- As there is no educational reason for their use and they are proving a distraction to learning, wireless ear pods will be banned from the school from Term 3.
- Students found with ear pods will be directed to take them to the administration office to be handed in. Parents will then be contacted to collect the ear pods as they will not be returned to the student. Please support us by ensuring that your child leaves them at home.

SEMESTER ONE REPORT CARDS

- Year 12 Unit Three report cards will be emailed to parents today.
- Years 7 - 11 Semester One report cards will be emailed to parents on Friday 15th July.
- Please remember to check your junk/spam folder if you do not receive a report card.

I would also like to inform you that today is my last day at Caloundra for the year as I am taking up the position of School Reviewer for Semester Two. This role involves reviewing schools all over the state and giving feedback on areas to improve but also congratulating schools on their achievements. After being Principal of this wonderful school for ten years, I am looking forward to a new challenge but know that I will miss the school terribly. Mr Hutchinson will be Acting Principal for the first few weeks of Term 3 until a recruitment process is done for the Acting Principal role. Thankyou for all of your support for the school, students and staff and have a relaxing and safe break.

Julie Pozzoli
Principal
