

Arts Signature Program Information

Caloundra State High School offers two Arts Signature Programs: Dance Extension and Music Extension, both designed for students in Years 7-10.

The Dance Extension program requires an application and audition for entry and focuses on developing students' performance, choreography, and critical thinking skills through various assessments, including performances and examinations. Similarly, the Music Extension program is an audition-only course that aims to deepen students' musical talents in performance, composition, and analysis.

Participants engage in a comprehensive curriculum, perform within the school and broader community, and collaborate with industry professionals. Both programs require a significant commitment of time and effort outside of school hours.
