Computers sold with "Win10 Home" in "S" mode need to be converted to full Windows 10 operating system, before being able to on-board to the BYOx system. Instructions for updating are located on the [school website](#).

Unsuitable devices include:

Windows RT, iPad Mini, Android Devices, **Chromebook**, Windows machine with 64GB storage or less, Windows 7/8/8.1 OS and Linux OS devices.

*** BYOx uses Windows inTune to support connection to wireless technologies. Students will have a better experience connecting to the system using a Windows device.**

Students can prepare their device to Enrol on the school network by following the relevant instructions found on our school [computer and internet page](#)
