## Caloundra Highlights

Term 2 - Week 5 – Friday 17<sup>th</sup> May 2024

Dear Parents and Families,  
Welcome to the end of Week 5!

Congratulations to our amazing Edge Dance students who made us all proud at the Sunshine Coast Dance Eisteddfod at the end of last week. We had over 50 students competing in over a dozen different performances, with many groups placing and receiving commendations in what is a large and highly competitive competition.

We also held our program of excellence surf camp this week. Over three days our students had the opportunity to brush up and refine their skills, supporting their ongoing development in the sport. It is great to see that a significant number of our students have made the regional team.

Our Senior Rugby League Captain Zac G had the opportunity to represent our school at the Brisbane Broncos headquarters this week and take part in the official launch of this year's Allan Langer Cup. It is a great achievement by our Senior Boys to again make it to the top tier competition. This is a prestigious result as only the top 8 School boys' teams in the state have the privilege of playing at this level each year. We wish them all the best for the upcoming season.

Our junior netball teams played today at the Vicki Wilson Cup at Fishermans Road, Maroochydore, where they competed against significantly older players and held their own. The talent of the team indicates a bright future ahead for our netball.

Our Year 9 Volleyball Program students had the opportunity to officiate at the QLD Schools Volleyball Championships, where they applied their knowledge from the level 2 referee course. We have received wonderful feedback from parents and the community in regard to how respectful and engaged our students were.

I would also like to publicly thank all the staff, who week in and week out, dedicate their time in support of our students to assist them to have these extra-curricular opportunities. These events often take staff away from their own families and I want to express how grateful I am that they are so passionate about our students and our school. It is these things that really make a difference in the lives of our young people.

Finally, our school Student Council are having its Term 2 Charity fundraising event, next Friday, 24<sup>th</sup> May. The Middle School representatives are running a Jeans and Jersey themed Free dress day. The students have decided to choose Orange Sky Laundry as their charity this year. Orange Sky Laundry are a local charity that is a non-profit organisation providing free mobile laundry and shower services to people experiencing homelessness. All students who participate in the free dress day are asked to support the cause with a gold coin donation.
